

MCA Head Start 0-5
Summary of PY 2021-2022 Program Goals

Program Goal #1: School Readiness

To provide all children the support necessary for school readiness success.

Objective #1: Children will demonstrate growth in social emotional development.

Objective #2: Children will demonstrate growth in language and literacy development.

Objective #3: Children will demonstrate growth in cognition.

Objective #4: Children will demonstrate growth in approaches to learning.

Objective #5: Children will demonstrate growth in perceptual, motor, and physical development.

Program Goal #2: Family

Partner with families to support their goals towards building strong families.

Objective #1: Families will be provided support and assistance with expressed needs.

Objective #2: Promote and Increase Parent Participation in leadership and governance roles.

Objective #3: Identify and remove barriers to support families who have chronic absenteeism.

Objective #4: Increase families' participation in opportunities to learn about their child's social emotional development.

Program Goal #3: Staff Professional Development

Foster a culture of learning that promotes the development of high quality early childhood professionals.

Objective #1: Increase staff knowledge and skills in trauma informed care.

Objective #2: Increase coaching opportunities for staff.

Objective #3: To recruit, reduce turnover and maintain high quality staff.
